SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — Science Applications International Corporation (SAIC), San Diego, Calif., is being awarded a \$11,491,447 Cost Plus Fixed Fee, Indefinite Delivery, Indefinite Quantity contract for support of the Submarine Communications/Information and C4I Systems Division. The contract requires comprehensive engineering and technical support for submarine command, control, communications, computers and intelligence (C4I) and information systems, and support to other agencies/activities, including comprehensive management, engineering, technical, Integrated Logistics support (ILS), implementation maintenance, and on-site services.

This contract includes four options which, if exercised, would bring the total cumulative value to \$60,466,810. Work will be performed in San Diego, California (75%); Pearl Harbor, Hawaii (15%); and Norfolk, Virginia (10%). Period of performance is from August 16, 2002 through August 15, 2003. If all options are exercised, the period of performance may extend through August 15, 2007. Contract funds will not expire at the end of the current fiscal year.

This contract was competitively procured, published in the Commerce Business Daily and posted to the SPAWAR E-Commerce web site, with one offer received. Space and Naval Warfare Systems Center, San Diego, is the contracting activity (N66001-02-D-5016).
